EXPERTISE

WEDDING PLANNING

EXPRO will transform your dream wedding into a reality at an exceptional value, while delivering distinctive style and uniqueness. When we decided to turn our passion for weddings into a job we had in mind three main ideas; to provide outstanding services, highly creative ideas, quality in all aspects and unforgettable experiences.

EXHIBITION DESIGN AND INSTALLATION

We design and build spaces that excite, engage and enthrall audiences, delivering a unique experience unlike any other. To achieve this with the top quality standards and optimal delivery times requires a dedicated space. Our team properly utilizes and fabricates the best possible experience for your marketing strategies.

LIGHTING

Lighting is significant to any event. It sets an atmosphere and creates a remarkable first impression by providing excellent lightings to create a perfect event. The talents of our lighting department like nothing better than challenge, exceptional at what they do and who can work together effectively for creating an unswerving atmosphere.

SCREENS

Screens are essential part of any event. It helps us to communicate and so much more. At EXPRO, we understand this so we offer the latest technological advances in screens, providing you an innovative experience.

SOUND

Our expert sound engineers and technicians are highly experienced. They have worked all over the GCC and Middle East, supplying world-class audio solutions for a massive variety of shows and events.

STAGING

We pride ourselves in offering a full service. Whether you want just a set of regular stage size, or a completely automated stage for a world-class theatrical venue or outdoor event, EXPRO can do it all.

EVENTS FURNITURE RENTAL

EXPRO has the knowledge and expertise to assist you in organizing any type of events. We supply furniture and equipment's to support any kind of event at any given day from corporate to private. We have a wide selection of sofas, chairs, tables, stage and lighting to suit your requirements. Our team offer superior customer service, attention to detail and flexibility when planning for your special occasion.

KEY STRENGTHS

SKILLED MANAGEMENT

Decades of experience in the Middle East as with expertise in event management, sound and light engineering, media and brand management.

FAIR COSTING

Initiating complete transparency by giving complete breakup of each elements and activations cost.

KEY TO MENTAL LOCKS

Streamlined communication with the in-house designers and copywriters to initiate seamless flow of ideas.

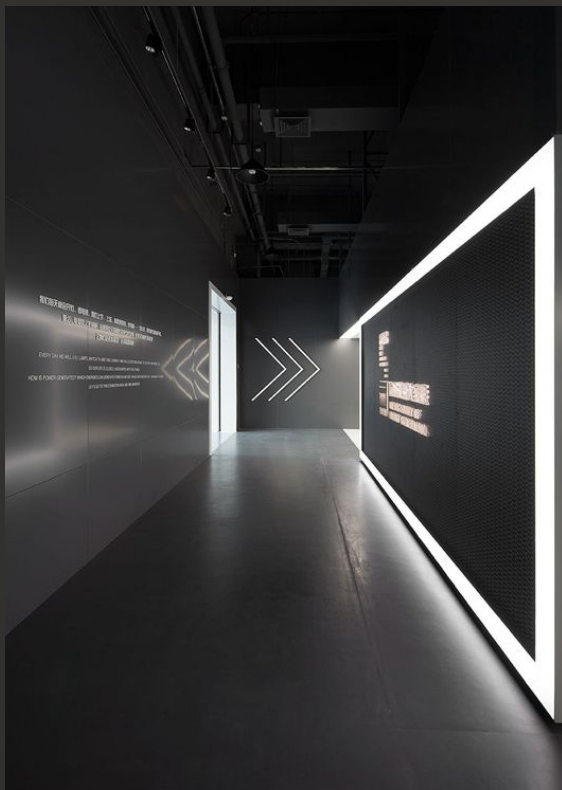

TECHNOLOGY EDGE

From holographic projections to communicative laser shows, we always provide the best technology in the market for your events and activations.
